

The Future-Looking Detective

A. Write down a scenario about the future that you are afraid of

Realistically, what are the chances that it will happen as you have imagined it? (use percentages)

B. What can you do to prevent this negative scenario from happening?

What internal and external resources will you use?

C. If this scenario were to happen, write down some ideas for managing it as well as possible

What internal and external resources will you use?

D. Rewrite the scenario

What is the realistic and probable scenario for the future?
